

FIST WELCOMES NEW AND RETURNING STUDENTS

Gambang, July 2. FIST received its first batch of 51 Industrial Biotechnology and second batch of 58 Industrial Chemistry undergraduate students during MINDS week held at UMP's gateway campus in Gambang. The week was marked by numerous student coordinated activities including a visit by the Deputy Minister of Higher Education, YB Dato Saifuddin Abdullah. Also on hand to welcome new students were FIST's pioneering cohort of Industrial Chemistry students.
