

## 10 Researchers Won Medals At IENA And Bio Malaysia Exhibition 2010

Universiti Malaysia Pahang (UMP) continued to gain success after 10 researchers won two gold medals, four silver medals and four bronze medals at the International Exhibition Ideas - Invention New Products (IENA) 2010 in Germany and Bio Malaysia Exhibition 2010 in Kuala Lumpur recently.

Two entries were submitted at IENA by Faculty of Chemical & Natural Resource Engineering researchers, Associate Professor Dr. Hayder A. Abdul Bari and Dr. Chin Sim Yee.

Dr. Hayder won gold for his work titled, "*Aloe Vera Mucilage As New Flow Improving Agent In Pipelines Carrying Liquids In Turbulent Mode*" while Dr Chin took home a silver medal for his research, "*Modified Heterogeneous Process For the Production Of Biodiesel With Glycerol Acetal Additive*".
