UMP'S DATA MANAGEMENT SYSTEM (E-DASH) EMERGED AS WINNER IN KPM INNOVATION AWARD (MANAGEMENT CATEGORY) 2014

BY: NOOR SYAHIDAH SABRAN

Universiti Malaysia Pahang (UMP) was recently announced winner of the Ministry of Education Innovation Award (AIKPM 2014) for the management category.

The university's winning entry was its data management system, E-Dashboard (E-DASH), developed by the Centre of Corporate Development and Quality Management (PPKPK). The innovation was also one of the steps taken by UMP in upgrading its procedures involving collecting and analysing of data, information and material evidence as supporting documents before submitting these data to the ministry.
