

MTUN TECHNOLOGY SHOWCASE

Malaysian Technical University Network

MTUN

BY: KASRAN ABDULLAH

Malaysian Technical University Network (MTUN) comprises of four technology based University. They are:

- University Tun Hussein Onn Malaysia (UTHM)
- University Technical Malaysia Melaka (UTeM)
- University Malaysia Pahang (UMP)
- University Malaysia Perlis (UniMAP)

One of the MTUN CoE's integrated programmes is to set up a technology showcase. One such showcase is located in Bangi Gateway Shopping Complex, Section 15, Bandar Baru Bangi. The MTUN Technology Showcase focuses on commercialisation of products from research and development activities of its members.

The showcase is based on UMP Gallery concept because it is seen as an ideal concept to display commercialisation activity through exhibition.

The showcase will act as a medium, bringing together the industries and the universities, to build up strong cooperation especially in research and product commercialisation. The showcase will be the place where members can promote their products to the industries and members of the public. Apart from the gallery, other facilities offers by MTUN Technology Showcase are as follows:

1. Training centre for innovation and commercialisation
2. Exhibition centre for other higher learning institutes/ organisations
3. Advertising space for research products that can be commercialised
4. Organising seminar or conference that is related to research, innovation and commercialisation
5. Operation centre for MTUN Coe.
