

MoU INKED BETWEEN UMP & KAKATIYA UNIVERSITY

BY: LAILI ZULKEPELI

Kuantan, May 15 – Universiti Malaysia Pahang (UMP) signed a memorandum of understanding with Kakatiya University that would pave the way for a better strategic partnership for both parties.

It would also pave the way for both universities to explore more new opportunities in fields of common interests. The collaboration would focus on developing areas in the research and academic fields as well as looking into the possibility of expanding into other prospects.

Kakatiya University was represented by its Vice Chancellor Mr. Venkatrathnam Boda, Principal Mr. Srinivasulu Tadisetty and Dean Mr. Sayulu Kuchi.

For the last few months, UMP's Faculty of Industrial Sciences and Technology had been working together with Kakatiya University on projects involving LED drivers and silicon solar cells. Light-induced effects on the LED materials were tested in UMP laboratory while and other related characterisation test were carried out in Kakatiya University. ■
