

On 21st April 2016, Faculty of Industrial Management organized an Industrial Talk at Astaka, UMP Gambang Campus. The invited speaker was Mr. Mohd Parid Sulaiman, Director of Product Technology Development, Intel Technology (M) Sdn. Bhd., Bayan Lepas Free Trade Zone, Penang.

He is also the Technical Advisor for Malaysia Digital Economy Corporation (MDEC) and has served as board member for University Malaysia Perlis. About 320 students from FIM, FTEK and FSKKP attended the session. Mr. Parid shared insights on future computing technology trend, Internet of Things (IoT) product technology and career opportunity in Intel Malaysia. He encouraged students to stay abreast and develop not only technical skills but also soft skills such as communication, coordination and leadership qualities in order to increase their employability.
