SUPERVISOR'S DECLARATION

“I/We hereby declare that I/we* have read this thesis and in my/our* opinion this thesis is sufficient in terms of scope and quality for the award of the degree of Bachelor of Computer Science (Computer System & Networking)”

Signature :

Name : Puan Roslina Binti Abdul Hamid

Date : June 12th, 2012

SITI BALQIS IDRIS

**A thesis submitted in fulfilment of the
requirements for the award of the degree of
Bachelor of Computer Science (Computer Systems & Networking)**

**FACULTY OF COMPUTER SYSTEMS & SOFTWARE ENGINEERING
UNIVERSITY MALAYSIA PAHANG**

JUNE, 2012

STUDENT'S DECLARATION

"I declare that this thesis entitled 'iBook by Using Apple's Bonjour Protocol in A Wireless Classroom' is the result of my own research except as cited in the references. The thesis has not been accepted for any degree and is not concurrently submitted in candidature of any degree."

Signature :

Name : Siti Balqis Binti Idris

Date : June 12th, 2012

DEDICATION

“I am proudly dedicating this thesis to my beloved mother and family, thanks for the never ending support on me. Next, for the first and foremost, to my most supportive supervisor and friends who always there helping me, thank you so much for your assists and guidance.”

ACKNOWLEDGEMENT

Alhamdulillah, all praise to Allah S.W.T for his merciful and guidance in giving me strength to complete this project.

Special thanks to my supervisor Puan Roslina bt. Abdul Hamid, without his help my project will not succeed. Also thanks to all other lecturers that have help me in finishing this project.

To my parent and family thanks a lot. Last but not least to all friends who has help and supported me from the beginning to the end. Thanks a lot.
