LISTENING SKILLS

TYPES OF LISTENING

Warm-Up Activity

In a small group, scan the picture below for one minute, and in a small piece of paper recreate the mind map with your own understanding. Students can only refer to the picture for 30 seconds. After the mind map is completed, discuss in your group what is listening, and then present it to the class.

Vocabulary

Listen (verb)

The act of paying attention when someone is speaking or hearing attentively to a sound.

Synonyms

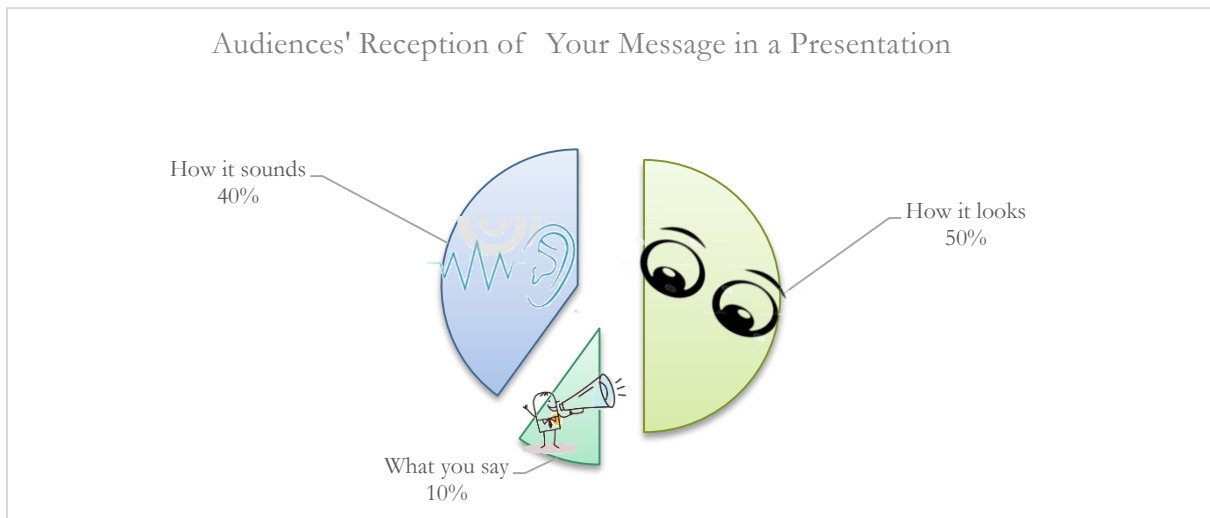

Hear – Pay attention – Attend – Concentrate – Hark

SPEAKING SKILLS

TYPES AND CONTENTS OF A PRESENTATION

Warm-Up Activity

DID YOU KNOW THAT...

To be able to deliver an effective presentation, the non-verbal elements of communication should be given emphasis as much as the content of your delivery.
