FKASA-Civer Dragon emerged as the champion for Universiti Malaysia Pahang (UMP) Netball League with FKSA-Humble Bee taking the second spot and FKM-Mecha Rhino at third place.

As for the UMP Super 5 Futsal League women's category, FSKKP-Arctic Fox won first place in the game's first edition while FKKE-Dino Thunder was the first runner up, beating FIM-Bengal who had to settle for third place.

Competition was stiff for the men's category in the futsal game but FKEE-Dino Thunder boomed their way to first place, defending the title they won last year. FTEK-Bison and International-Lions won second and third place, respectively.

Netball and futsal were two of the three games played at the UMP Sixth Internal Sports League organised by the Sports and Cultural Centre, together with the Student Sports Council (MSP).

The other game was football.

It was held at the Sports Complex Hall, Gambang Campus on March 29, 2019.

The tournament was a platform to produce talented athletes.

According to the Tournament's Director, Haizad Hashim, event such as this could help promote sports among students and encourage them to get involve in sporting activities.

"Students will be more active, healthy, vibrant, dynamic, competent and competitive. They also got to foster good ties and build up friendship and team spirit.

"These activities could help instil a sense of identity in them, too.

"There were three games – football, netball and futsal and we received participations from all faculties in the university. For the first time, we received participations from the international students who went by the name of International-Lions," he said.

The tournament was officially opened by Mohd Aznorizamin Ismail, who's performing the duties as the Sports and Culture Centre Director.

Also present were Chairman of the Internal Sports League, Nur Adam Maximillian and Student Representative Council (MPP) Sports Exco Member and UMP Sports Council President, Alex Tiong Sie Hung.

As for the UMP Football Super League, it is already entering into its second week and the winner will be known after the finals, scheduled on April 17 at UMP Gambang Campus Mini Stadium.
