

## UMP Foundation, volunteers give aid to flood victims

**KUANTAN:** To ease the burden of flood victims in Pahang, Universiti Malaysia Pahang (UMP) Foundation, along with their team of volunteers, have been going to the ground to provide various forms of assistance. The foundation received more than 30 tonnes of items, including children's clothes, cleaning equipment, blankets, pillows, food supplies and cash donations worth some RM250,000 from well-wishers all-over Malaysia. Apart than helping households hit by the floods last month, members of the media, whose homes were inundated, also received aid. UMP board of directors chairman Tan Sri Dr Abdul Aziz Abdul Rahman hoped the assistance could be utilised to ease the burden of floods victims and help them get their lives back on track.
