## A TALE OF FTKMA FOCUS GROUPS

By: Dr. Azizuddin Abd Aziz  
Senior Lecturer, FTKMA

**F**TKMA academicians are devoted to research  
Exploring the unknown in wisdom universe  
The Dean's instruction is very loud and clear  
Make our faculty the innovation leader

Focus Groups are formed by interest area  
Common in objective and working together  
AERG is interested in vehicle technology  
Automotive hub, engagement with industry

Next is AFFG, attracted to fluid  
Dedicated academician, the group is built  
ASIVR is all about structural vibration  
Give them problem, they'll find the solution

ESFG is committed on conserving energy  
Long live the earth, the stance and policy  
Human engineering is the core of HEG  
Quality of life is the essence of study

MTG members are assigned to manufacturing  
Advanced technology really keeps them going  
Last but not least, the group called SUPREME  
Material investigation on the level of extreme

International grants, we managed to receive  
High-impact journals, we already published  
FTKMA Focus Group will continue the journey  
For the sake of faculty and also UMP
