PAYA BESAR, 11 January 2021 - The newly appointed Students' Representative Council (MPP), Universiti Malaysia Pahang (UMP) for the 2021/2022 session is recommended to pay serious attention to the fostering of a culture of wisdom, prosperity, respect, and love.

These can be implemented through various programmes and activities so that UMP continues to be harmonious with a conducive campus atmosphere for learning and unity.

According to Professor Dato' Ts. Dr Yuserrie Zainuddin who performs the functions of UMP Vice-Chancellor, as MPP, they are able to express impactful leadership with decorum and etiquette, communication professionalism, and quality of work.

"Leadership maturity characterised by diplomacy, conferences, and decency is appropriate to be appointed as the consistent character and credibility of the UMP MPP.

"Interaction with the management through various consultation channels and professional and harmonious deliberation should be maintained.

“This is important to ensure that the MPP is seen as a body that truly represents students’ interests as a whole.

“However, what is more important is the MPP’s ability to act as the students’ voice in a professional manner without being influenced by any negative sentiment either on or off campus.

“These people will move in tandem with the management to preserve a prosperous and conducive campus climate within the framework of the UMP Strategic Plan 2021-2025 (UMP25),” he said at the MPP Appointment Presentation & Oath Taking Ceremony for the 2021/2022 Session at the Astaka Hall, UMP.

Professor Dato’ Ts. Dr. Yuserrie also congratulated the student secretariat led by UMP Faculty of Industrial Management student Nurul Aina Jamaluddin and UMP College of Engineering (KKEJ) student Syafiq Ahmad Abdul Aleem as well as the team for the ability to manage the fully online MPP selection smoothly and orderly.
