The pledge reading and signing ceremony were led by UMPH Group chief executive officer Tuan Syed Alwi Mohamed Sultan, and witnessed by MACC's Deputy Director (Community Education Division) Ab Muneim Ibrahim.

Syed Alwi said efforts to eradicate and fight corruption must be a collaborative effort by all UMPH staff, as the responsibility cannot be solely put on the shoulders of MACC.

UMPH is actively making plans concerning integrity awareness to help inject positive values—in every staff so they will avoid committing any wrongdoing regardless of the time, place and situation."
