/ invited Speaker for the Global Learning System (GLS) and Sharing Knowledge Program at the BINUS University, Indonesia

Guest Speaker for the Global Learning System (GLS) Program at the Binus University, Indonesia

Last Updated: 06 July 2023 Hits: 295

Heartiest congratulations to Assoc. Prof. Dr.. Yuhani Yusof for her contributions as Guest Lecturer for the Global Learning System (GLS) Program at Binus University, Indonesia on 6th April 2022. Through this valuable session, 188 participants comprising School of Computer Science BINUS University students and colleagues interacted through the Zoom meeting platform on the Group of Permutation topic. This GLS is one part of the initiative to strengthen collaboration between BINUS and UMP.

Reported by: Assoc. Prof. Dr. Yuhani binti Yusof.
