/ invited Speaker for the Global Learning System (GLS) and Sharing Knowledge Program at the BINUS University, Indonesia

Congratulations Puan Durrani Aimi Abdul Malik for Passing her VIVA VOCÉ

Last Updated: 06 July 2023 Hits: 358

On behalf of the Centre for Mathematical Sciences, we would like to congratulate Puan Durrani Aimi binti Abdul Malik, Master of Science (NEC461) – Field of Research in Mathematics, under the supervision of Assoc. Prof. Dr. Yuhani binti Yusof and co-supervised by Dr. Ku Muhammad Na`im bin Ku Khalif for successfully passing her viva voce on 21st October 2022. The title of her thesis is “Hybrid Fuzzy Analytical Process with Fuzzy Inference System on Ranking STEM Approach towards Blended Learning in Mathematics”.

We are proud of your achievement and best wishes for the future.

Reported by: Assoc. Prof. Dr. Yuhani binti Yusof.

Hybrid Fuzzy MCDM as a Tool for Assessing the Best STEM Approach in Blended Learning

Durrani Aimi Abdul Malik
MSE 20004

Main Supervisor : Assoc. Prof. Dr. Yuhani Yusof
Co-Supervisor : Dr. Ku Muhammad Naim Ku Khalif
