Invited Speaker for the Global Learning System (GLS) and Sharing Knowledge Program at the BINUS University, Indonesia

Last Updated: 06 July 2023 Hits: 901

Heartiest congratulations to Assoc. Prof. Dr. Yuhani Yusof for her contributions as the Invited Speaker for the Global Learning System (GLS) Program of Modern Algebra and as a Sharing Knowledge Program to BINUS University, Indonesia on 17th November 2022. Through this valuable session, 126 participants comprising the School of Computer Science, BINUS University students, and colleagues interacted through the Zoom meeting platform on the Group of Permutation topic. As the host from BINUS, Dr. Faisal and Mrs. Ajeng hope that these GLS and sharing knowledge

sessions are one part of the initiative to strengthen collaboration between BINUS and UMP, especially in teaching & learning and research.

Reported by: Assoc. Prof. Dr. Yuhani binti Yusof.
