Date: 9th February 2023

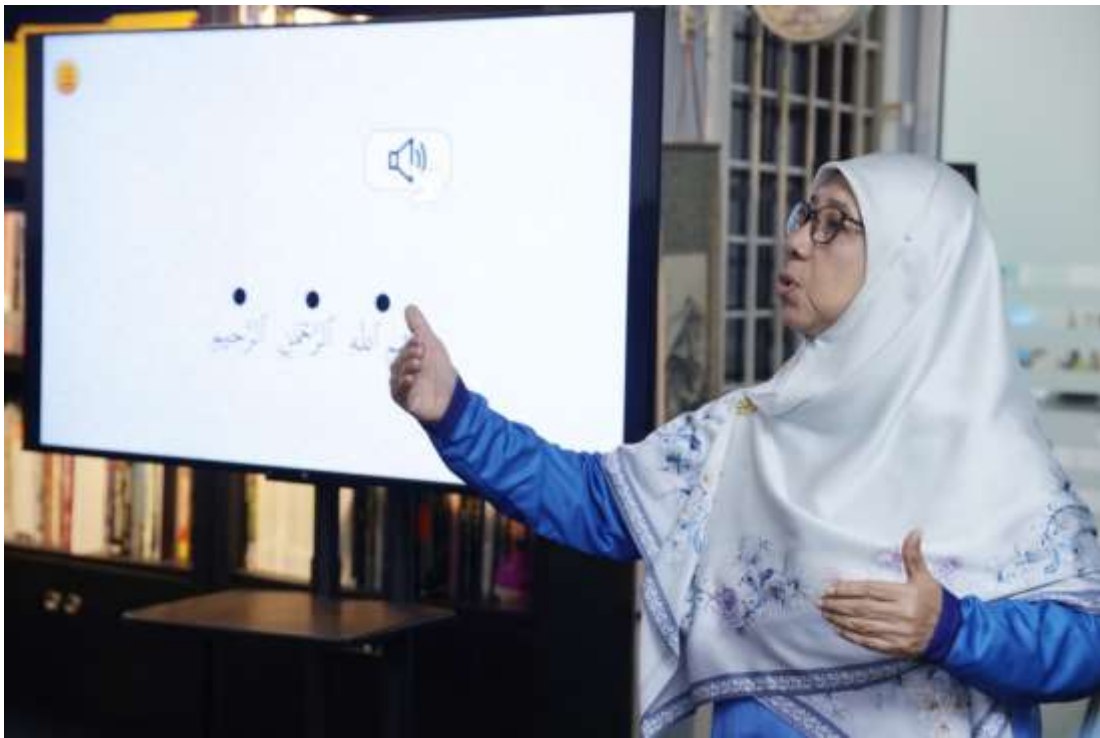

Venue: MZR Global Sdn Bhd Head Office, Shah Alam

MZR Global Sdn Bhd was pleased to receive a courtesy visit from the Universiti Malaysia Pahang (UMP) team on the 9th of February 2023. A total of 8 representatives from UMP headed by Prof. Ts. Dr Kamal Zuhairi Zamli (Deputy Vice-Chancellor of Research & Innovation) graced the event where discussions and sharing of expertise regarding future collaborations took place. Focusing on the research and development of the Early Childhood Education sector, MZR planned on visiting the UMP Pekan, as it is a potential R&D hub for Assisted Need Children in the near future.

Ending the visit with a photography session and lunch, it was truly an inspiring gathering. Setting a trail towards collaboration for the benefit of both companies, we hope that we will be able to create more opportunities, especially in the field of research and development.
