VENUE : DEWAN TUN TEJA 1

SPEAKER
ASSOC. PROF. DR. AHMAD SALIHIN
BIN SAMSUDIN

Workshop: "Publish or Perish"

20 March 2023 Hits: 271

A workshop titled "Publish or Perish" was successfully held on March 16th, 2023. The speaker was Assoc. Prof. Dr. Ahmad Salihin bin Muhamad, an experienced academician in

publishing research journals from Faculty of Industrial Sciences and Technology, and was attended by 40 postgraduate students.

During the workshop, the speaker discussed the importance of publishing research papers for postgraduate students, and highlighted the importance of choosing the right journals and provided tips on how to select journals that are appropriate for the research area. The attendees also were provided guidance in structuring research papers, citing references, writing effective abstracts and drafting effective conclusions. The workshop also provided an opportunity for attendees to ask questions for the speaker.
