PREFACE

حُرِّمَتْ عَلَيْكُمُ الْمَيْتَةُ وَالِدَمُّ وَالْحَمُّ الْخَنِزِيرُ وَمَا أَهَلَ لِغَيْرِ اللَّهِ
بِهِ وَالْمُنْحَنِقَةُ وَالْمَوْفُوذَةُ وَالْمُتَرَدِّيَةُ وَالنَّطِيحَةُ وَمَا أَكَلَ السَّبُعُ
إِلَّا مَا ذَكَّيْتُمْ وَمَا ذُبِحَ عَلَى النُّصُبِ وَأَنْ تَسْتَقْسِمُوا بِالْأَزْلَمِ
ذَلِكَ فِسْقٌ ۗ الْيَوْمَ يَبْسُ الَّذِينَ كَفَرُوا مِنْ دِينِكُمْ فَلَا تَخْشَوْهُمْ
وَأَحْشَوْنِي ۗ الْيَوْمَ أَكْمَلْتُ لَكُمْ دِينَكُمْ وَأَتَمَمْتُ عَلَيْكُمْ نِعْمَتِي
وَرَضِيْتُ لَكُمُ الْإِسْلَامَ دِينًا ۗ فَمَنْ اضْطُرَّ فِي مَخْمَصَةٍ غَيْرِ
مُتَجَانِفٍ لِإِنْتِمَائِهِ فَإِنَّ اللَّهَ غَفُورٌ رَحِيمٌ ۓ

Prohibited to you are dead animals, blood, the flesh of swine, and that which has been dedicated to other than Allah, and [those animals] killed by strangling or by a violent blow or by a head-long fall or by the goring of horns, and those from which a wild animal has eaten, except what you [are able to] slaughter [before its death], and those which are sacrificed on stone altars, and [prohibited is] that you seek decision through divining arrows. That is grave disobedience. This day those who disbelieve have despaired of [defeating] your religion; so fear them not, but fear Me. This day I have perfected for you your religion and completed My favour upon you and have approved for you Islam as religion. But whoever is forced by severe hunger with no inclination to sin – then indeed, Allah is Forgiving and Merciful (Surah Al Maidah: 3)

The research book on Halal Issues Series 2022 invites readers to understand matters concerning halal products and services that are becoming the concerns of many consumers, especially among Muslims living in a multiracial country, in this case, Malaysia. It seems that nowadays consciousness about what are halal products or services are on the rise to ensure Muslim consumers consume goods that are not harmful to their health. Six (6) topics are published in the series providing readers with popular avant-garde issues concerning halal matters in the country. Written by social science researchers and authors from Malaysian Technical University Network (MTUN), topics in the series concern stunning animals, halal pharmaceutical products, halalpreneurship, *halal thoyyib*, social media advertisements of halal products, and MyeHalal. The listed topics are important as they can assist the public to understand halal knowledge. In particular, the public, future researchers and Muslim consumers are able to identify matters related to halal literacy, master their understanding about halal products and services and have the knowledge concerning halal products available in the market.

Zuraina Ali, PhD
Editor

ACKNOWLEDGEMENT

It is with great honour to compile this Research Book Series 2022 on Halal issues in Malaysia Volume 1. I would like to thank the Research and Development of Universiti Malaysia Pahang and Research and Innovation Department for their effort in initiating the idea to publish this book. I would also like to express my deepest gratitude to the researchers in their respective areas as they share their research findings about halal issues in the country-Malaysia. Thank you for the fruitful information and insights on halal matters that the researchers have shared in the research book. I hope that writing issues concerning halal will continue, to ensure Muslim consumers, in particular, are aware of halal products and understand that products need to meet the requirements laid by *shariah* law to ensure their hygiene, quality and safety before consuming them. For non-Muslims, the information in this book may promote healthy eating and understand safe to consume products among them. Let us be halal literate!

Abstrak: Persoalan hukum halal-haram dalam aspek pemakanan halal adalah di antara perkara yang begitu ditekankan oleh syariah Islam kerana ia berkaitan dengan prinsip menjaga salah satu kepentingan asas kehidupan manusia iaitu prinsip menjaga nyawa seseorang. Sehubungan itu, aspek pemakanan halal yang terkandung maknanya dalam kategori al-tayyibat bukan sahaja baik untuk kebaikan dan kesihatan diri manusia, malah pemakanan halal sebenarnya adalah suatu elemen penting dalam proses pembentukan akhlak dan kebersihan hati seseorang. Dalam konteks ini, penulisan ini menjelaskan aspek pemakanan halal dan hubungannya dalam pembentukan keperibadian seseorang dari sudut pemakanan halal menurut maqasid syariah, pemakanan halal dan aspek pembersihan jiwa serta tanggungjawab pemeliharaan diri dari makanan haram dan syubhat. Semua elemen yang dijelaskan dalam penulisan ini merupakan aspek-aspek yang perlu diberi perhatian oleh seseorang Muslim dalam rangka pembentukan keperibadian diri yang luhur agar dia menjadi seorang Muslim yang menghayati nilai-nilai ajaran Islam dan berpegang kepada hukum halal dan haram secara konsisten khususnya dalam aspek pemakanan halal.

Kata kunci: pemakanan halal, keperibadian muslim, pembersihan jiwa.

penyelidikan di bawah skim geran penyelidikan FRGS/1/2016/SS06/ PBPI-CTED/F00330.

Mohd Fuad Abdul Wahab received his degree in Bachelor of Education (Information Technology) with Honours, Universiti Pendidikan Sultan Idris (UPSI). In taking his bachelor of education programme, he took a minor or second study programme in Islamic

Studies. He gives talks/ lectures at schools and educational events in various topics related to Islamic teaching. Currently, he teaches in one of the schools on the East Coast of Malaysia.

Mohd. Suhardi Mat Jusoh (PhD) ialah pensyarah kanan dalam bidang pengajian Islam di Pusat Sains Kemanusiaan (PSK), Universiti Malaysia Pahang (UMP). Beliau memperoleh Ijazah Sarjana Muda Pengajian Syariah Islam

dari Universiti al-Azhar, Kaherah (2000), Mesir dan kemudiannya Sarjana Syariah dari Universiti Malaya (2005). Seterusnya memperoleh Ijazah Doktor Falsafah Pengajian Islam dari Universti Sains Malaysia (2015). Di samping giat menjalankan aktiviti penyelidikan, beliau turut aktif membenteng kertas-kertas kerja penyelidikan dalam seminar dan persidangan akademik di dalam dan luar negara. Beliau juga turut berkecimpung dalam bidang penulisan di media sosial dan akhbar, turut aktif dalam program pembangunan insan dan motivasi di pusat pengajian tinggi, jabatan kerajaan dan sekolah. Selain itu, beliau juga turut aktif memberikan ceramah di masjid-masjid sekitar daerah Kuantan, Pahang, Pulau Pinang dan Kelantan.

Norunnajjah Ahmat (PhD) started working at UTeM in March 2004 to serve for the Center for Academic Service, which later changed to the Center for Languages and Human Development. In 2020, she joined the Institute of Technology Management and Entrepreneurship (IPTK). By

the 1st of September 2022, she was transferred to the Faculty of Technology Management and Techno-preneurship (FPTT) and is still a lecturer in the faculty.

Nurdinah Abu Bakar is a graduate specializes in halal food certification system and has participated in various publications related to the field. Professionally, she has 10 years working experience in financial sector specializing in risk management and stock market investment.

Nur Syamilah Md Noor obtained a Bachelor's Degree of Muamalat Administration from Universiti Utara Malaysia (UUM) and later accomplished a Master's degree in Islamic Finance and Banking in UUM as well. She is now a lecturer at the Faculty of Muamalat and

Islamic Finance, Kolej Universiti Islam Perlis (KUIPs). She is also certified as an Islamic Financial Planner by the Financial Planning Association of Malaysia (FPAM) besides her qualification as a takaful agent. She is currently involved in bitcoin and cryptocurrency research. In addition, she also conducts research related to Islamic entrepreneurship, Islamic social finance (cash waqf), Islamic pawn and Halal Trade. She started involving in the world of research as she became the Research Assistant for Research Grants involving the Economy of Youth Entrepreneurship throughout Malaysia. Currently she is pursuing a doctoral degree in International Business at UUM.

Raihana Zahirah Edros (PhD) has started her teaching career in 2013 at Universiti Malaysia Pahang upon completing her PhD Degree at University College Dublin in the area of Biopharmaceutical and Pharmacological Sciences.

Her research interests include the search of biomarkers that characterise high productivity in mammalian cells, the determination of active compounds from various natural resources including plant and plant by-products, the development of natural product formulation for various pharmacological effects. She is also an Exco Member of International Society of Pharmaceutical Engineers (ISPE Malaysia Affiliates), the Co-Director of ISPE Malaysia Student Chapter and the Professional Technologist of Malaysia Board of Technologist (MBOT).

Zuraina Ali (PhD) is an Associate Professor at the Centre for Modern Languages in Universiti Malaysia Pahang (UMP). The writing of the paper in this Research Book Series 2022 is due to her interest in social media research. Working with a knowledgeable co-author enables her to widen her skills in academic writing in the area stated.
