

Ode to UMPSA: A Tribute on Labor Day

On this dawn of May's proud light,
We lift our hearts, our pens, our sight
To UMPSA's halls where dreams ignite,
And labour glows in noble might.

From chalk to code, from books to steel,
You shape each mind, each wound you heal.
Staff and scholars, firm and kind,
You leave no weary soul behind.

In lecture rooms and engineered labs,
In bustling wards or admin tabs,
You plant the seeds that knowledge grows
The future reaps what UMPSA sows.

O hands that guide with silent grace,
O minds that lift the learning place,
Your tireless toil, your quiet flame,
Shall crown this campus with its name.

So on this day, we sing your worth,
The pillars strong of this great earth.
With heartfelt thanks, we stand and say:
UMPSA shines because you lead the way.
